

Thank you, West Virginia!

Last Thursday, as part of the 2017 Innovation & Entrepreneurship Day at the State Capitol in Charleston, we received the Spirit of Innovation Award as the Startup of the Year from [TechConnect West Virginia](#), a non-profit coalition committed to the advancement of the innovation economy in the Mountain State!

Thank you so much to Executive Director Anne Barth and her colleagues at TechConnect! We're so glad to be part of the West Virginia innovation community and can't say enough about the amazing reception we've received in the state since our offices opened in Huntington last November.

What does this win mean for Core10? Watch [this video](#) of some of our West Virginia talent reacting to the news that they work at their state's Startup of the Year. We're about to double our head count again and are here to stay!
